TO WHOEVER IT MAY CONCERN,

RE: HAMISI ABDALLA HAMISI-NATIONAL IDENTIFICATION NO. 37321079

It gives me great pleasure to recommend **Hamisi Abdalla**. In his Three (3) months attachment (**May 7th to August 8th, 2024**) at **COUNTY GOVERNMENT OF KWALE ICT SECTION**, I have been his immediate supervisor. During the period, the ICT trainee was endowed with hands on skills in;

- ❖ Hardware troubleshooting, repair and maintenance.
- ❖ Basic Windows Server R12 installation, configuration and administration.
- ❖ Setting-up and managing Wireless Access Points.
- ❖ Network management, maintenance and troubleshooting.
- ❖ Basic Wireless security.
- ❖ Basics on CMS website development and administration.
- ❖ Information System (IFMIS) configuration and administration

Having supervised him closely for the period, he can no doubt perform the roles above without hesitation.

As a direct supervisor, **Hamisi** is an innovative and pro-active well behaved team player who respects his supervisors. **Hamisi Abdalla** further always maintained a good workmate relationship besides dedicated extra effort to meet deadlines.

He is worthy a consideration for any post that requires these skills.

Sincerely,

EMMANUEL TSUMA NDUNI

For: **DIRECTOR ICT**
