PROFILE

Dynamic Full-Stack ICT Professional with experience developing and managing technology solutions. Contributed to impactful projects at the County Government of Kwale, improving workflows and enhancing system functionality. Skilled in project management, communication, and delivering user-friendly designs. Focused on advancing skills in full-stack development, UI/UX design, and networking to tackle complex challenges

EMPLOYMENT HISTORY

Full-Stack ICT Professional at County Government of Kwale

May 2024 — August 2024

This attachment provided me with valuable hands-on experience in various aspects of ICT. I demonstrated a strong foundation in hardware and software maintenance, network administration, and web development. My work contributed to the smooth functioning of the County Government's ICT infrastructure and improved their operational efficiency.

Responsibilities:

- **Hardware Maintenance:**Troubleshooting and repairing computer hardware issues.
Performing routine maintenance on computer systems.
- **Server Administration:**Installation, configuration, and administration of Windows Server R12.
- **Network Management:**Setting up and managing wireless access points.
Network maintenance, troubleshooting, and security measures.
- **Web Development:**CMS website development and administration.
- **Systems Administration:**Configuration and administration of Information Systems (IFMIS).

EDUCATION
